PUDU

Robotics Overview

Cleaning Robotics

PUDU CC1 Pro

AI-Powered Autonomous Cleaning Robot

- AI components self-monitoring
- AI scrubbing and intensity control for floors

PUDU SH1

Smart Upright Scrubber Dryer

- Multi-dimensional cleaning.
- Cordless 350 rpm power for stubborn residues.

PUDU MT1

AI Powered Robotic Sweeper

- No Debris Too Big or Small
- AI trash detection for cleaning large venues.

PUDU MT1 Vac

AI-powered Robotic Sweeper & Vacuum

- 2x vacuum efficiency for 24/7 coverage.
- AI-driven wide adaptive cleaning.

PUDU MT1 Max

AI-powered 3D Perception Robotic Sweeper

- Smart obstacle avoidance for semi-outdoor areas.
- Intelligent Active Interaction

Stay Ahead with Pudu

Service Delivery Robotics

BellaBot Pro

Premium Delivery & Advertising Robot

- AI assistant directs shoppers to products.
- Upgraded PUDU VSLAM+ and 18.5-inch promotional screen.

KettyBot Pro

Greeting & Delivery Robot

- Easy ad displays and agile delivery accessories.
- 20.5" superior mobility with smart tray detection.

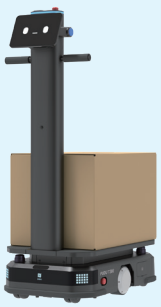

Flashbot Max

Building Delivery Expert

- Autonomously navigates elevators for multi-floor delivery.
- Secure, Multi-Compartment Access.

Industrial Delivery Robotics

PUDU T300

Industrial Delivery Robot

- 661 lb payload with 24” aisle clearance.
- Flexible VSLAM+ deployment with 24/7 operation.

PUDU T600

Heavy-payload Industrial Delivery Robot

- Idle elevator priority scheduling
- 1322 lb payload with smart rack recognition.

Why Pudu Robotics?

Boost operational efficiency & ROI

Improve customer experiences & satisfaction

Reduce staff turnover & boost morale

Create future-forward, resilent workflows
